have taken a day off from their employment solely for the purpose of posing as the prospective wife of a 50,000 makes but small difference to 50,000 makes but also, it is quite apparent that quite a number of these sliegedly eager ready come before the local boards brides are working for a fee and it is impossible to determine, even apbrides are working for a fee and do not intend to become brides in fact.

Each young man of draft age who is marrying at this time is due to a ride awakening. His case must go before a local board. Close tab is being kept on the bridegreems who are so precipitately diving into the matrimonial sea as the date of the examinations for military service approaches. And this is the law:

DRAFT LAW SPECIFICALLY
COVERS SUCH CASES.

It is impossible to determine, even approximately, how many of the nearly 600,000 registrants in this city must be called and examined before the quots of 39,000 can be filled, but it is apparent that in some districts, expectally in Harlem, the Bronx, on the east side and Brownsville, almost, if not quite all those who have registered will be called for examination. In District No. 186 in Harlem, the summoned for examination in the first call. It is estimated that 60 per
